We will have three sessions during the day, racing in one half of the pool with the second half available for warm-up/warm-down. The results from the Championships will also be used to assist in team selection for the Inter-County Masters on Saturday 9<sup>th</sup> November. This meet will be hosted by Berks & South Bucks ASA - full details to be advised when available.

### The IM and “Mystery Medley”

In the name of fun and experimentation, we are running a variant of the IM **as well as** the more conventional IM. In the Mystery Medley you only discover the order of swimming the strokes based on drawing a number from the hat before you take your place on the blocks. There are 18 possible sequences (we exclude any combinations that start on backstroke). You can only swim one IM format – please ensure you indicate carefully on your form. We won't be able to change on the day.

Clearly, the times from the Mystery Medley cannot go forward to the national rankings. However, to be fair to all swimmers and clubs, IM points – conventional or Mystery - will count in the Victor Ludorum and Club points competitions

### Awards

- Club Championship Trophies – Top Club, Top Men's Club, Top Ladies' Club, and Top Relay Club.
- Top eight places score points towards Club Trophies and Victor Ludorum awards to 1st, 2nd and 3<sup>rd</sup> in individual and relay events.
- Victor Ludorum Trophies for each 10-year age group AB, CD, EF, JK, LM+ and Seniors. Depending on time, trophy awards may not be presented at the championships.

### Relay teams

## SURREY COUNTY ASA 2019 SURREY MASTERS CHAMPIONSHIPS

<b>Competition date:</b>	<b>Saturday 29th June</b>
<b>Closing Date:</b>	<b>Monday 17th June</b>
<b>Surrey Sports Park, Guildford, Surrey GU2 7AD <a href="http://www.surreysportspark.co.uk">www.surreysportspark.co.uk</a></b>	

Team events are in age groups, Senior, 120-159, 160-199, 200-239 240-279 & 280+. A “Senior” relay consists of at least one swimmer who is in the Senior Age Group 19-24 (e.g. one Senior plus three Masters, of any age, is always a Senior relay).

Mixed Teams consist of 2 male and 2 female, swum in any order. Senior swimmers may only swim in Senior Relays, but Masters may swim down in a Senior Relay.

All team entries should be made in advance. Team members can be amended on the day, but only “pre-registered” swimmers (ie swimmers competing in Individual events or nominated via the Additional Team Members Form) may be used for relays. We can cope with changes of relay swimmers on the day, but we’re asking that all possible relay nominees are identified one week before the Championships so we can get them on the computer. Teams don’t need to be frozen, just the “pool” of swimmers you’ll choose from.

Clubs may enter any number of teams per age-group, per event. Please use a separate team entry form for each team. As with individual swims, all relay age-groups will swim together in each event (Medley and Freestyle), and awards will be made for each age-group. A swimmer therefore may only swim for one age group in each relay event. (For example, a swimmer in the 120-159 Freestyle relay team may not swim in the 160-199 Freestyle relay team. The same swimmer may swim in the 160-199 Medley relay providing he/she is not in any other age-group Medley team.)

### **Officials and other helpers required**

For all those clubs, who have either officials or people willing to help, any offer of these services would be gratefully received. We require participants to ensure at least one, preferably two, officials from their club attend on the day.

### **Entry Details**

The Championships are only open to members of Surrey County ASA affiliated swimming and water polo clubs, providing those members satisfy the eligibility conditions for swimming in these Championships. Masters must be 25 years and over, *on 31 Dec 2019*, and Seniors must be over 18 on the day of the competition.

Individual events: 25m **£3-50**, Others **£6-00**. Relay events: **£8-00**. Payment by **Bank Transfer** to Surrey ASA Competitions Account; Sort Code 20-84-17; Account Number 90576360. Please ensure you use a suitable identifier eg “JoeBloggs/MSTR”

You are responsible for ensuring that you are fit and well to compete in this event.

**Individual Entries to be received by 17<sup>th</sup> June, Relays 22<sup>nd</sup> June** – no late entries will be accepted. Entries will not be accepted unless accompanied by the appropriate entry fee, entry times, priorities and ASA Registration number (all of which are checked...)

If the meet is oversubscribed, entries may be rejected based upon your priority selections, with your **LOWEST** priority being rejected first. In this case, entry fees will be refunded.
