A word of welcome from our President, Mr Paul Finch (Merton Swordfish SC)

Welcome to the final weekend of the Surrey County ASA 2016 Age Group Championships at Crystal Palace where we finish off with the high excitement of the 50m events and the Team relays. I'd like to give a big thank you to the Crystal Palace staff and all competitors, spectators, officials and volunteers!

We have some amazing swimmers in your County, and 2015 finished with a bang as over two dozen of our records were rewritten at recent short course competitions. It's a long time since we had a Surrey swimmer hold a British Record and we salute Woking's Anna Maine who broke two British Junior records.

2016 is, of course, an Olympic Year with much to look forward to and we hope to see our swimmers having another great year on the National stage and beyond.

Looking through the County records it was a pleasant surprise to see two of the oldest records (1976) are held by one of Surrey's Olympians, Paul Sparkes, from my club Merton Swordfish S.C, who went on to represent Great Britain at the 1980 Moscow Olympics.

My time as your President requires travelling around our County and sometimes beyond, and I have really enjoyed meeting swimmers, officials and volunteers in our sport. It's not all ceremonial and I officiate at various galas (yes I am also a Licenced Swimming Official), so you get two of me for the price of one!

It is great to see so many people helping out as helpers, non-technical and technical Officials, many of whom started just like you, watching their children take part. Unfortunately, and understandably, many volunteers drop out after their children stop swimming and it is an uphill battle to fill the gaps. This does place an ever-growing burden on the few that remain as volunteers, which is not fair!

Just like your local club we need all types of people to help out. There is a wide range of volunteer roles that serve as an outlet for the abundance of talent I know exists in the ranks of parents. You all have skills which are invaluable to us to keep swimming supported and viable. The pay may be lousy, we are volunteers...., but the spirit and camaraderie is particularly strong in Surrey and you have a great chance to put something back in the sport we love, swimming. Without sustaining and growing this group of volunteers we do face the real threat of having to cut back on the activities and competitions within the County. This is my 53rd year in swimming and I would love to pass on my skills to YOU.

Paul Finch
Surrey County ASA President

News from the County

Surrey County ASA is “run” by a couple of Committees, again staffed by a dedicated group of volunteers who manage the administration of the County as well as our competitions:

- County Age Group Championships
- Summer Development Meet, 4/5 & 11/12th June
- Surrey Youth Games 19th June, SSP
- Surrey Masters will take place on Saturday 25th June, at SSP

As Paul has mentioned, there is a wide range of volunteer roles that need filling, with plenty of “stuff” to be done. Details of the above are on the website, or will be published in due course - <http://surreyswimming.org/> In addition you will also find details on development funding, including bursaries to cover teaching and coaching qualifications.

Our Annual Council Meeting (ACM) will take place in the second week of June 2016, and we encourage all clubs to ensure they attend and are represented. Details, again, will be on the website shortly.

We are in a unique position as one of a few “split” counties who have clubs in two ASA Regions, London Region and South East Region. Both regions have active Club and Regional Development Officers whom I hope you hear from regularly. Our two “parent” Regions have provided information on their activities, and their own bursary schemes and communications channels in the following pages.

Our Masters Swimmers also have a busy year ahead of them as the European Masters, organised by LEN, take place at the London Aquatic Centre. We have some outstanding individuals at the top of British Masters rankings, including Guildford City’s Mike Hodgson who will be giving 30 years to fellow competitors here today, and Jane Asher (King’s Cormorants) who is more than a hot favourite to lift several European titles at the LAC. About to turn 85 years young she is an inspiration to us all to keep on going, with age being no barrier to personal achievement. See the latest article in the national press here: <http://www.telegraph.co.uk/sport/12131836/Meet-84-year-old-Jane-Asher-Britains-ageless-swimming-super-gran.html>

As the cold of winter gives way to Spring and hopefully Summer, I am reminded by our Open Water Secretary, Phil Sears, that The ASA has recognised (Swimming Times February 2016) this to be the fastest growing area of our sport, and explains some of the reasons. We may not all become top sprint pool swimmers, but may show the physical and mental toughness for distance OW events – and all the enjoyment and sense of achievement that brings! Has YOUR club yet appointed a dedicated officer for OW Swimming?

Every year the SE Region promotes its “Grand Prix” of OW swims at south coast venues – Dover, Eastbourne, Brighton, Southsea – and their own Regional OW Championships over various distances at a marvellous lake venue near Chichester. This latter takes place on 9th July 2016 and also hosts the Surrey County OW Championships, with a number of Surrey clubs sending participants from 13 to 70 years to enjoy the challenge with great spectator support! This event also acts as qualifier for the ASA National OW Championships held as a Festival of OW Swimming at Rother Valley Country Park, near Sheffield on 23rd July (Masters and 1500m Challenge), 24th July (Age Groups). Add your details to the Surrey database as a potential swimmer or Club Co-ordinator at pmsears@btclick.com and keep informed. Watch the SER and County websites for further information and dates as they are published.

Enjoy the Age-Groups, but Surrey swimming and aquatics goes a lot further than just the weekends of our Age-Group Championships. Get involved, be it as participant, volunteer or Committee member!

Best wishes

Jim Boucher

Who are we?

London Swimming is a region of the ASA and are responsible for developing swimming in London. London Swimming has an independent management board elected by its members. The London Swimming Region comprises the 32 London Boroughs plus the City of London.

Our vision; to be an inclusive, innovative and sustainable ASA region that nurtures our athletic and volunteering talent, meets the needs of our members, and supports our clubs and affiliates.

Within the London region we have 29 Surrey clubs in the boroughs of Southwark, Lambeth, Wandsworth,

Richmond, Merton, Sutton, Kingston-Upon-Thames and Croydon. We also have 4 representatives from Surrey clubs on the London Management Board which ensures the needs of our clubs across all parts of London are met.

In London we have 2 dedicated Club Development Officers; Sophie Joinson sophie.joinson@swimming.org and Esther Hill esther.hill@swimming.org who are your first point of contact, along with our administrator Gita Sheth – london@swimming.org

What do we do and what can we do for you?

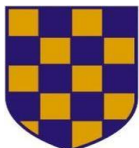

Some of the areas that we can support clubs on are as follows;

- **swim21** – this is the ASA’s quality mark accreditation for clubs. Approximately 1/3 of our Surrey clubs in London are already accredited and we currently have 2 more working towards it. We also have a bursary available to swim21 clubs which will cover up to 50% off course costs for the ASA UKCC Level 2 Coaching Swimming
- **Volunteer training** – we are currently finalising an annual workforce training delivery plan which will ensure we run enough of the courses and workshops that the volunteers and coaches at our clubs need. We hope to run these at various venues to ensure clubs don’t have to travel too far and at a subsidised rate (if not free).
- **Club networks** – in order to ensure we can deliver the above mentioned training plan, we are looking to create numerous club networks where clubs can share best practice, work more closely with us to voice their specific needs and training requests, and to create a better partnerships with leisure operators locally.
- **Funding** – as well as the swim21 bursary there are also lots of other sports grants and bursaries available, which we can help you find and even support in writing applications etc. We have also arranged 2 club workshops on Funding and Sponsorship for Feb/March, delivered by London Sport, which we will be advertising details of shortly.
- **Athletes** – as well as working with clubs themselves, we are also here to ensure there is a good swimmer pathway and that we assist with the development of talent. To support this we deliver regional talent camps, off-shore camps and a young volunteer programme.

How can you find out more?

Following feedback from our clubs, we have recently created a brand new website www.londonswimming.org which is more user-friendly, has relevant and up to date information and we hope will be more widely used by everyone engaged in aquatics in London.

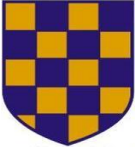

We also produce a monthly Club Update e-newsletter which gets sent to all Club Secretaries. If you are not receiving this, or would like it to be sent to additional people at the club then please get in touch with the contact details.
