Awards

- Club Championship Trophies – Top Club, Top Men's Club, Top Ladies' Club, and Top Relay Club.
- Top eight places score points towards Club Trophies and Victor Ludorum awards to 1st, 2nd and 3rd in individual and relay events.
- Victor Ludorum Trophies for each 10-year age group AB, CD, EF, JK, LM+ and Seniors. Depending on time, trophy awards may not be presented at the championships.

Relay teams

Team events are in age groups, Senior, 120-159, 160-199, 200-239 240-279 & 280+. A "Senior" relay consists of at least one swimmer who is in the Senior Age Group 19-24 (e.g. one Senior plus three Masters, of any age, is always a Senior relay).

Mixed Teams consist of 2 male and 2 female, swum in any order. Senior swimmers may only swim in Senior Relays, but Masters may swim down in a Senior Relay.

All team entries should be made in advance. Team members can be amended on the day, but only "pre-registered" swimmers (ie swimmers competing in Individual events or nominated via the Additional Team Members Form) may be used for relays. We can cope with changes of relay swimmers on the day, but we're asking that all possible relay nominees are identified one week before the Championships so we can get them on the computer. Teams don't need to be frozen, just the "pool" of swimmers you'll choose from.

Clubs may enter any number of teams per age-group, per event. Please use a separate team entry form for each team. As with individual swims, all relay age-groups will swim together in each event (Medley and Freestyle), and awards will be made for each age-group. A swimmer therefore may only swim for one age group in each relay event. (For example, a

swimmer in the 120-159 Freestyle relay team may not swim in the 160-199 Freestyle relay team. The same swimmer may swim in the 160-199 Medley relay providing he/she is not in any other age-group Medley team.)

Officials and other helpers required

For all those clubs, who have either officials or people willing to help, any offer of these services would be gratefully received. We require participants to ensure at least one, preferably two, officials from their club attend on the day.

UPDATE:

The electronic banking era is truly upon us and you may find that the Bank details above do not validate in your online banking software. A few early entrants have had some problems. This is because our full Bank Account name is rather complex, reflecting our wonderful history 😊

Surrey County ASA (Incorporating SCWP & SA) Competitions Account

This is too long for some online software and it seems to get shortened to this:

Surrey County ASA Incorporating SCWP & SA

So this shortened name should validate, if you need to validate, with the above Sort Code and Account Number. Let me know if you're still having problems.

You are responsible for ensuring that you are fit and well to compete in this event.

Individual Entries to be received by 12th June, Relays 19th June – no late entries will be accepted. Entries will not be accepted unless accompanied by the appropriate entry fee, entry times, priorities and ASA Registration number (all of which are checked...)

If the meet is oversubscribed, entries may be rejected based upon your priority selections, with your **LOWEST** priority being rejected first. In this case, entry fees will be refunded.

All events will be heat declared winners and we will swim 200 Free and 100 Fly as MIXED. Over the top starts may be used – we are planning on 7:30pm completion at the latest.
