

Criteria for selection for Surrey County Camps for 11 year olds 2022-23

Minimum activity level: Attendance at three one day events in the 3 terms Sept-Dec, Jan-Mar, Apr-Jul (various dates/locations within the County).

A minimum of 24 swimmers (12 Male/ 12 Female) and a maximum of 36 (18 Male/ 18 Females) will be selected as follows:

NB: if counties do have the minimum number of swimmers they can reduce as required or take more swimmers of one particular gender.

- The Swim England rankings data base will be used for selection purposes. Only times achieved between 1 January 2022 and 10 August 2022 will be considered.
- Swimmers must have been registered with a County Club by 10 August 2022
- Swimmers must be 11 years old by 31 December 2022
- Selection is made based on the top 15 200m IM rankings during the qualifying period, either LC or SC. The final 3 places are selected from the either 200m IM or 100m IM based on Fina ranking points/time.
- Swimmers must reply to confirm whether they will be accepting or declining their place on the programme within two weeks of the published list.
- Swimmers should only be selected if they are indicating that they can commit to the full three-day programme. If they subsequently are unavailable for all three no refund should be given and no additional swimmers invited thus avoiding unnecessary disruption to the programme.
- All places on the programme must be filled and all paperwork returned by the end of October 2022.
