Training courses for coaching/teaching for all clubs	50%	As per existing rules in Surrey County ASA. Note: clubs who are accredited for Swim21 or working towards accreditation have the facility to apply for grants from Region for 50% of training course costs, thereby getting full funding for the training course. Note: where courses are modular, we can make a payment at completion of each module, on production of invoice and proof of completion.
Lifeguard training	50%	Although some pools that clubs use can make lifeguarding available, pool hire costs can be reduced if the club is able to provide its own lifeguarding provision
CPD courses (general)	100%	Where a club is working towards Swim21 accreditation.
CPD courses for disability	100%	This is a particular need that Surrey County ASA needs to actively support so full funding provided.
Officials fees for courses for Judge 1 and above	100%	Note Surrey County ASA run the courses and provides room hire, Attendees pay fees to ASA. It is these ASA fees that we meet at 100%.
Officials fees for timekeepers courses	Zero	The timekeeper qualification cannot be used outside of internal club competitions after Sept 2011.
Room hire for officials courses	100%	If not already booked by Surrey County ASA officials training coordinator. (Note that room hire may be cheaper if booked via the club based at the venue.)
ASA Helpers course	100% or 50%	100% for 14-16 year olds, 50% for adults. This is a recognised course designed for people aged 14-16 to help keep them in swimming, though can be useful for adults to get them started, with the possibility of them then going on to Level 1 courses for coaching/teaching.
IT equipment	50%	
Software	75%	
Training or competition equipment	75%	Land training is part of Swim21, so claims for land training equipment can be accepted.
Stopwatches	Zero	It is generally considered appropriate for judges and timekeepers to have their own watches.
Pool hire for long course training	50%	When justified within scope of Swim21 on a regular basis. One-off pool hire (50m) may be funded 100%
