
Honorary Life Vice President Nomination Mr Stuart Marsh, Croydon Amphibians SC

Stuart Marsh is another of our long-serving stalwarts without whom aquatic disciplines could not have continued as they do in our County.

Stuart has been an active participant, official and volunteer for many years.

He has been Surrey County Water Polo secretary for more than 15 years and played for Croydon Amphibians for 45 years.

He served as President of the London Water Polo League in 1998.

He has also been an active referee for decades and is still refereeing to a very good level at the age of 76.

His colleagues are very supportive of this nomination and point out that, above all, he is hugely liked by everyone.

It is therefore fitting that Stuart is recognised for his contribution to Surrey County water polo and is a worthy addition to our Honorary Life Vice Presidents.
