1m Championship Conditions

JUNIOR: 5 voluntary dives from different groups, the total degree of difficulty not to exceed 9.5, plus 3 voluntary dives without limit

SENIOR: Same as junior, but the 3 dives without limit shall be selected from different groups

Junior is defined as 8 to 18 years of age in the year of competition. A dive of the same number may not be repeated. Jumps are not allowed in championships

The diving committee has the authority to resolve any dispute, subject to the Executive's endorsement

Due to time constraints it will be necessary to continue to combine the junior and senior 1m championships. Eligible divers competing in both shall use only one dive sheet in which the dives must fulfil the senior championship conditions. The junior results will be extracted respectively.
