Carol Chaplin	Dorking
Christina Victor	GCSC
Justine Ryan	GCSC
Sally-anne Hawley	Kingston Royals

Notes: The table shows the difference between the expected number of Officials sessions that the club should staff based on the number of swimmers and the actual provided in 2026. The list is sorted best to worst. Any club in red provided no Officials at all during the Championships. As a guide, Clubs should divide the number of swimmers by 4. The result is the number of sessions at which they are expected to provide at least one Official.
