### Seeding

24. Heats for events with finals will be seeded using cyclical seeding for the fastest 3 heats.
25. Heat Declared events of 400m or less will be super-seeded, subject to there being a sufficient number of entries, with the last heats being the top 8 swimmers in each age group swum separately from youngest to oldest.

### Finals

26. For those events with finals, as soon as possible after heats are completed, the names of swimmers who are in 1<sup>st</sup> to 8<sup>th</sup> place in each age group will be announced, as well as two reserves.
27. For each final, a minimum of 8 lanes will be used.

## Surrey Age Group Championships 2023 Promoter's Conditions

28. Swimmers and reserves are required to present themselves to marshalling when called. If a finalist does not wish to take part, they should advise the marshal and a reserve will be offered a swim in the same lane as the finalist who is withdrawing. If a reserve does not present themselves to marshalling, they will not be offered the available swim.

### Technical and non-technical officials

29. The Championships cannot run without people to fill both technical and non-technical roles on the day. With this in mind, clubs are requested to provide volunteers, both qualified officials and people to field of play roles such as marshalling.
30. An official who holds the qualification of Swim England Disability Official will act as a technical advisor in each of the sessions where Para-Swimmers are entered.

### Entry times

31. All entry times must be equal to, or faster than, the qualifying times supplied as part of these conditions. We are including a separate qualifying time for 17 year olds but they will swim together with those over 18 years of age in the 17 & Over age group.
32. Qualifying times are given as short course and long course times for all events. Swimmers may enter if they have achieved either time in the relevant pool length. No converted times are permitted. *Note that short course times have been generated from the long course times using Swim England's Equivalent Performance Tables.*
33. ALL entry times must have been achieved at licensed meets on or after **1 January 2022** and **must appear on the Swim England Rankings Database**. Masters swimmers may use times from an appropriate Masters meet if those times **appear on the Swim England Rankings Database**.
34. If the meet is over-subscribed, the promoter reserves the right to reject entries based on the submitted entry times after converting to the meet course. The fastest swimmers in each age group will be given priority. Clubs will be informed as soon as possible after the closing date of any swimmers whose entries have had to be rejected, and entry fees for rejected swimmers will be returned in full.
35. Automatic qualifying times will also be published but not included in the HyTek Meet Events File. If a swimmer's entry meets the automatic time their entry will be flagged in the on-line entry portal and they will automatically be included in the meet. Paragraph 36 does not apply to such entries.
36. If the meet is under-subscribed, the promoter reserves the right to extend the closing date and accept a second entry file. A separate HyTek Meet Events file will be published to facilitate this process. The promoter will accept entries based on the fastest swimmers in each age group until the meet is full.
37. There are no qualifying times for para-swimmer entries but Paragraph 33 applies.

### Medals, trophies and awards

38. For events with age group finals, trophy points are awarded on the basis of times achieved in the finals.

## Surrey Age Group Championships 2023 Promoter's Conditions

### Registration and marshalling

45. Swimmers must sign in before the start of the warm-up for each session for every event in which they wish to take part. A swimmer who is late to sign in may be placed in an unoccupied lane at the discretion of the promoter, but this is not guaranteed.
46. It is your responsibility to report to the Competition Stewards in the designated Marshalling area in good time for your event. Heat start lists for each event will be posted on-line and in the Marshalling area before each session starts and it is the competitor's responsibility to ensure their name appears on the list prior to the start time of the session.
47. Upon entry to the Marshalling area, the athlete must ensure that they report to a Steward and be registered as being present. Competitors must follow the directions of the Competition Stewards at all times.
48. All competitors must enter the Marshalling area 'race ready' as under normal circumstances having entered the Marshalling area they should remain in its confines until led onto the pool deck for their race.
49. Coaches/chaperones will not be allowed in the Marshalling area at any time.

### Poolside access

50. Clubs must ensure there are enough adults on poolside with valid passes to provide adequate supervision.
51. Passes are available from the Swim England website for each weekend. Payment will be taken by credit or debit card at the point of booking the pass.
52. A Level 2 Teacher may attend on poolside but will need to apply for a pass through the Surrey website links. The cost of this pass is the same as the passes issued by Swim England and should be paid by bank transfer before the relevant day of the meet.
53. Personal care attendants will only be permitted for para-swimmers where assistance is permitted on their code of exceptions. A swimmer who has assistance may have both a coach and a personal care attendant present. The personal care attendant will need to apply for a pass through the Surrey website links. It will be free of charge.
54. Cost of passes:
  - Whole Championships – £30 without food and £70 with food.
  - One day - £10 without food and £20 with food.
55. The promoter reserves the right to request any person to leave poolside, whether or not that person has a poolside pass, without having to give a reason.

### Photography

56. All those attending these Championships (competitors, coaches, team managers, spectators, officials, volunteers, contracted staff etc.) wishing to use cameras, video or digital image capturing devices (including mobile phones) should only do so after reference to their obligations and the recommendations laid down in Wavepower 2016-2019, the Swim England Child Safeguarding Policy & Procedures and other Swim England Photography guidance. Photographic equipment must not be used anywhere in the changing rooms.
57. Photographs of the meet may be taken by representatives of the promoters of the event and may be used for promotional purposes. Entry into the competition implies acceptance of this condition.

### Promoter

58. Questions and queries may be directed by email to the Meet Promoter (Alan Thurlow) who will liaise with the Lead Referee (Diane Gamble) as necessary.
