Awards

- Club Championship Trophies – Top Club, Top Men's Club, Top Ladies' Club, and Top Relay Club.
- Top eight places score points towards Club Trophies and Victor Ludorum awards to 1st, 2nd and 3rd in individual and relay events.
- Victor Ludorum Trophies for each 10-year age group (25-34, 35-44, etc.) and Seniors. Depending on time, trophy awards may not be presented at the championships.

Relay teams

Team events are in age groups, Senior (72-119), 120-159, 160-199, 200-239 240-279 & 280+. A "Senior" relay consists of at least one swimmer who is in the Senior Age Group 18-24 (e.g. one Senior plus three Masters, of any age, is always a Senior relay).

Mixed teams consist of 2 male and 2 female, swum in any order. Senior swimmers may only swim in Senior Relays, but Master's may swim down in a Senior Relay.

All team entries should be made in advance. Team members can be amended on the day, but only "pre-registered" swimmers (i.e., swimmers competing in individual events or nominated via the Additional Team Members form) may be used for relays. Changes of relay swimmers can be accommodated on the day, but wherever possible the organisers ask that all possible relay nominees are identified one week before the Championships so relay entries can be input into the system. Teams don't need to be frozen, just the "pool" of swimmers you'll choose from.

Clubs may enter any number of teams per age-group, per event. Please use a separate team entry form for each team. As with individual swims, all relay age-groups will swim

together in each event (Medley and Freestyle), and awards will be made for each age-group. A swimmer therefore may only swim for one age group in each relay event. (For example, a swimmer in the 120-159 Freestyle relay team may not swim in the 160-199 Freestyle relay team. The same swimmer may swim in the 160-199 Medley relay providing they are not in any other age-group Medley team).
