18. No split times will be permitted except where they have been gained as the lead-off leg of a relay. In such cases the name, date of the meet, its licence number, the event swum and a link to the website where the results can be viewed should be provided.
19. Qualifying and upper limit times are given as short course and long course times for all events. All entry times must be slower than the upper limit times and equal to, or faster than, the lower qualifying times supplied as a part of these conditions. Swimmers may enter if they have achieved either time in the relevant pool length. No converted times are permitted. *Please note that long course times have been generated from the short course times using the ASA's Equivalent Performance Tables.*
20. ALL entry times must have been achieved at licensed meets and, with the exception of any split times, must appear on the ASA Rankings Database. Swimmers may use times from an appropriate Masters meet if those times appear on the ASA Rankings Database.
21. ALL entry times must have been achieved on or after **23 June 2013**.
22. The qualifying times from the 2014 Surrey Age Group Championships have been used as the UPPER limit times. The LOWER qualifying times are those published by the ASA as B Grade times in the 2009 Edition of the Graded Swimming Tables.
23. If the meet is over-subscribed, the promoter reserves the right to reject entries based on the submitted entry times. The fastest swimmers in each age group by event will be given priority. Clubs will be informed as soon as possible after the closing date of any swimmers whose entries have had to be rejected and entry fees will be returned in full.
24. By submitting entries to the meet administrator, club representatives are declaring that entry times submitted meet the above criteria.
25. In the event that a submitted entry time is found not to comply with the conditions, the entry fee will be forfeit and the swimmer will not be allowed to compete in that event.

### Registration and Marshalling

26. Swimmers must sign in before the start of the warm-up for each session for each event in which they wish to take part. A swimmer who is late to sign in *may* be placed in an unoccupied lane at the discretion of the meet administrator.
27. All withdrawals after sign-in must be notified to the meet administrator as soon as possible.
28. Heat lists will be posted on poolside and provided to coaches.
29. It is the responsibility of swimmers to check the heat lists and be at the marshalling area on time for their event, as instructed by the announcer.
